Ages 3–5 | 20 Activities

Welcome, Explorer Families!

Welcome to **Dinosaur Discovery**! This pack is designed for two age groups — look for the icons:

Footprint = Ages 3–4

Egg = Ages 4–5

Activities build **fine motor skills**, **counting**, **matching**, and **early letter recognition**, all through dino-powered fun! Some pages are great for both ages too.

Grab some crayons and let's dig in!
